Slate Hill is a congregation where newcomers are warmly welcomed and soon feel right at home. That happens because relationships, hospitality, and service are important to us. In that same spirit, we are delighted to share this evening with you!

Each year, many people ask why everything at Hilltop Fun Fest is free. God offers salvation and eternal life to all who seek Him.

Jesus has fully paid the price for this gift; it is free to all who will accept and receive! Hilltop Fun Fest is one way we can freely give to others the way God has freely given to us. We hope it reminds you of the free gift of salvation available to all.
